Frankly Speaking

The publication of the Taylor Report this week must surely be a watershed in the history of Professional football in this country. The game will never be the same again, whether the changes are for good, or bad, no one can be sure, but changes there must be.

At least, Lord Justice Taylor has come down on the side of common sense in expressing his grave doubts regarding the Government's membership scheme. Our opposition to this was because of a fear that the problems would be made worse outside grounds instead of better, and Taylor himself seems to have reached the conclusion.

The other most important, and far reaching recommendation is of course, the instruction to proceed to all seater stadia in all four divisions within ten years, five years for the First and Second Division clubs.

If this becomes an order and I am sure it will, and there is no outside financial assistance at all, then a number of football clubs will surely cease to exist. There has been an enormous amount of work done in the last ten years to improve safety and comfort at football grounds; and without the help of the Football Trust a lot of clubs would not have been able to comply with all the previous recommendations, let alone the ramifications of this latest report.

Everyone agrees that there is still enormous scope for improvement in our sports grounds in terms of safety, comfort, toilet facilities, better catering, etc, the questions are how much, how quickly and what will it cost?

I would be delighted to be able to put a roof over the North terrace and the South terrace, but the costs are astronomical. However, if we install seating, then surely a roof becomes even more necessary? Do you, the supporters who go on to the terraces regularly, really want to sit down instead? Here at Leyton Orient we are probably in a better position than a lot of other clubs in that we have over seven thousand seats for an average gate of between four and five thousand. This means that, as the bottom line, we could close the terraces if necessary, and accommodate everyone within our current seating capacity. We would not want to do that of course, but it would enable us to keep the stadium open if it came to that.

We have already implemented, or are in the process of doing so, the recommendations of the interim report, and we shall be in discussions soon with the rest of our safety committee regarding the final report to see which of the further instructions can be carried out fairly quickly. In fact, the structure you can see on the North Terrace will become a new Police Control Box, as recommended by the interim report, to enable the police and the safety officer to monitor any crowd movement and spot any potential problem before it gets out of hand.

You can rest assured that we shall be looking at every possible way of improving the stadium as quickly as possible, with the 1994 deadline in mind, as we would fully expect to be at least a Second Division club by then!

We welcome the players, supporters, management and directors of Bolton Wanderers to Leyland Stadium for today's Barclays League Division Three game, and wish them a safe journey back north.

Enjoy the game.

AROUND THE LEAGUE

FAMILY FACILITIES AT GROUNDS

For the first time, a booklet containing information about facilities for families and juniors at League grounds has been produced by the Football League. All League clubs have been asked for details and suggestions for an extended guide to be compiled in time for the beginning of next season.

LEAGUE LINK WITH PRESTEL

The Football League has combined with Prestel, the videotex information service from British Telecom, to provide Prestel with 50 pages of up to the minute news to be featured on SportsEye their 24-hour service.

TV FOOTBALL

ITV's live coverage tomorrow is the Tottenham Hotspur v Norwich City game, kick-off 3.30pm.

LEAGUE EARLY WARNING PLAN

With the possibility of winter conditions jeopardising matches over the forthcoming weeks the Football League explains its plans for the inspection of pitches.

In an effort to prevent inconvenience to supporters, League clubs are instructed to liaise closely over travelling plans of the visiting fans. Home clubs are also asked to liaise with referees in order that they can be reached at short notice. Clubs can also request the referee to stay overnight prior to a game if an early inspection is required. In the event of a match referee being unable to travel early, the League would call in an official within easier reach of the ground to make an inspection.

Regardless of weather conditions prevailing at the time, referees are required to report at the home club two hours or more before kick-off from November to February.

All these procedures are geared to making a decision as to the fitness of pitches before supporters begin their journey. Clubs and referees alike will take into account all necessary factors before deciding the appropriate course of action. The emphasis is on the home club to trigger-off this 'early warning' procedure.

Where are they Now?

COLIN FLATT

A bustling centre forward, Colin made thirty-two League appearances for the "O's" between 1965 and 1966. A one hundred per cent trier, he appeared in the season that the side was relegated back to Division Three, a period when the team lacked consistency and saw manager Dave Sexton resign, passing the reins once more to Les Gore.

This change came in mid-season but the damage had already been done and with confidence low, we recorded only five Second Division wins. Despite this daunting background, Colin remembers the atmosphere at Orient as "Being great", compared to his time at his other senior clubs, Cambridge United and Southend United, saying that, "The homely and entertaining fraternity of the directors set the atmosphere."

Colin agrees that the game is much faster now than in his League days. "I was reputedly slow when I played. The players now would just be coming in from the first-half, when I was running out to start!" On a serious note, Colin believes that at today's pace there is not time for characters to develop.

He recalls his most enjoyable game for the "O's" as the 2-1 victory over Birmingham City in 1965-66. "We hadn't won many and the crowd was really behind us. I scored both our goals."

Colin also names a match against Coventry City as a memorable game. "I was being marked by George Curtis and we kicked 'lumps' out of each other. Neither of us got a kick of the ball and in the bar afterwards he said he'd thoroughly enjoyed the game and it was a pleasure, he said, to be kicked and kick opponents around, without either party moaning!"

Another amusing memory of his "O's" days was, "When returning from training with the lads, we found this tiny chap in the bath. John Smith said, 'Who the hell's that?' and the little chap replied, 'Hello playmates.' It was comedian Arthur Askey, who was a guest of director Bernard Delfont for the day."

Asked to recall the best players he played with at Orient, Colin names, "David Webb for tenacity, John Smith until he fattened-up and David Metchick, who I could watch all day (and often did)."

There's not a lot of opportunity for him to see football these days except on T.V. but Colin did watch our Boxing Day game with Northampton. The first time he had been to Brisbane Road for a number of years.

He lived at Woodford Green during his days at the club. Now fifty years of age, he runs an air-sea freight company in Ilford and is a deep water yachtsman in his spare time, having crewed and taken his own yacht to France, Portugal and Spain, via the Bay of Biscay.

Of his "O's" colleagues, he sees Terry McDonald frequently and still plays the occasional game for the same team as the ex-Leyton Orient winger who was featured on this page last week.

CITY ON THE DOUBLE

The leaders BRISTOL CITY kept top spot last weekend although they were engaged in FA Cup action. Their 3-1 fourth round victory over Chelsea won the Barclays 'Performance of the Week' award and earned them a home tie with Cambridge in the next round. City wasted no time in returning to their promotion challenge, going four points clear at the head of the table when they beat Chester 1-0 at Ashton Gate on Tuesday evening. There's a long way to go yet but City are showing the kind of form that will make them difficult to oust from the leading positions.

DERBY TODAY

Today BRISTOL ROVERS who were held to a 1-1 draw at home to Bolton on Sunday, meet City at Bath. Rovers are currently in joint third place with BOLTON WANDERERS, seven points off the top. NOTTS COUNTY, without a game last weekend, hold on to second place—three points clear of Rovers and Bolton.

ROTHERHAM UNITED and TRANMERE ROVERS ended all-square on 0-0 at Milmoor on Saturday to keep close behind the top group, while BIRMINGHAM CITY lost a chance to close the gap, losing at home to Shrewsbury by the only goal of the game. SHREWSBURY TOWN can thank top scorer John McGinlay for securing their three points in this Midlands 'derby' match.

CHESTER CITY also won by a single goal, beating Swansea on Friday, to draw level with the Welsh club in the lower middle places. BRENTFORD's rise was maintained with a 2-0 away victory over Bury. Remarkably, the Gigg Lane club, who boast the most away wins in the division have only won four League matches at home.

The other two games ended at 1-1. Our home draw with WALSALL and FULHAM's with CREWE ALEXANDRA. Both the away teams collecting valuable points from higher placed opposition.

In the FA Cup, the Third Division banner was waved with distinction not only by BRISTOL CITY but also by READING who held Newcastle to a 3-3 draw with a last-minute goal at Elm Park. BLACKPOOL beat Torquay

1-0 but NORTHAMPTON TOWN lost 0-3 at Rochdale. HUDDERSFIELD TOWN were beaten 0-4 in London by Crystal Palace.

TONY PHILLISKIRK (*Forward*). Born Sunderland. Began his career with Sheffield United where he netted 20 league goals in 80 league appearances. After a loan spell at Rotherham, he moved to Oldham Athletic in July 1988 but started in only three games for them. DAVE FELGATE (*Goalkeeper*). Born Blaenau Ffestiniog. Began his career at Burnden Park as an apprentice but made his league bow on loan with Rochdale. He was later sold to Lincoln without making a league appearance for Bolton and after making 198 appearances for the Sincil Bank club moved to Grimsby. PHIL BROWN (*Full Back*). Born South Shields. Signed for Bolton in a £17,000 transfer from Halifax Town during June 1988 and was the only outfield player to have an ever-present record last season. He was appointed club captain early last season—taking over from the injured Mark Came.

BARRY COWDRILL (*Full Back*). Born Birmingham. Made over 100 league appearances in an eight-year spell at West Bromwich, who secured his services from Sutton Coldfield Town. Joined Bolton in July 1988. He can also play on the left side of midfield—a position where he began his career.

DEAN CROMBIE (*Full Back/Defender*). Born Lincoln. An experienced player who forced his way back into the first team last February which coincided with the Wanderers twenty game unbeaten run. Scored his first goal for the club in the Sherpa Van Trophy at Wembley. Previous clubs include Lincoln and Grimsby before signing for Bolton in June 1987. He clocked up his 400th league appearance last season.

MARK WINSTANLEY (*Defender*). Born St Helens. Came through the club's youth ranks to make his league debut in March 1986. He became a regular in the run in to promotion from the Fourth Division in 1988 and missed only two league games last season. His consistent performances led to him collecting the club's 'Player of the Year' award.

MARK CAME (*Defender*). Born Exeter. Came to Burnden from non-league Winsford United in 1984 and quickly forced his way into the league side. Missed most of last season when he suffered a broken leg in a Littlewoods Cup tie at Chester.

JULIAN DARBY (*Midfield/Defender*). Born Bolton. Signed for the Wanderers straight from school and is currently the only Bolton-born player in the first team squad. He made his debut in March 1986 and has since proved his versatility with consistent performances in both the midfield and defensive departments. Missed only two league games last season and scored the Wanderers' opening goal against Torquay at Wembley.

IN RESERVE

The reserves put on a fine performance against Southend especially in the first half, we stormed into a 3-0 lead with a superb first goal from Kevin Nugent from Danny Carter's cross. Then a Carter run and shot was well finished by Alan Hull. Our third goal was a penalty by Geoff Pike after a fine run into the area by Greg Berry.

Southend tightened up in the second half, and put trialist goalkeeper Paul Bostock under pressure, he had a particularly good game and deserved his clean sheet at the end.

Gary Campbell played his first full game since joining us from Leyton Wingate and really settled well. Once Gary gets match fit, I'm sure he will be a real asset to the club in the future.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

During 1989, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. This season will see further initiatives including new and better toilet facilities, additional enclosures for family support and the provision of seating within existing accommodation.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zettlers from their Spotting-the-Ball competition and spends it on schemes to improve standards at British football stadia.

YOUNG ORIENT

The Youth team have now set the stage for our quarter-final Southern Junior Tie at White Hart Lane on Wednesday, 7th February kick-off 7.30pm with a fine performance against Spurs in the League last Saturday.

Although the score finished 0-0, we had more than our fair share of the play. Our defence was outstanding and we played some fine football only our finishing on the day let us down.

Considering the bad weather of late our home pitch at the Douglas Eyre Centre is now really in great shape, and is a credit to the ground staff who maintain it.

It's nice to see the regular fans who turn up for the youth team games. They obviously enjoy them, let's hope even more turn up in the future.

Remember to pop along tomorrow to watch our talented under 16s face the England under 16s here at Brisbane Road kick-off is 1.00pm and not 11.00am

as stated in last weeks programme.
